OUR APPROACH TO NETWORKING

We are interactive.

NITC is not just check in, then network.
We have activities in place that allow you to optimize your time to connect
with attendees that best compliment your interests.

We select cool venues.

The NITC teams spends a great deal of time curating venues
that best fit our concept. We want trendy. We want fun.
We want *under-discovered* treasures where the word on the street is:
Check out that spot. It's awesome.

We keep it simple.

From the moment you arrive at NITC event, you are greeted as a very special guest.
Our team will do everything it can to keep focused on nothing but
good food, good drinks, and great conversation.

We aim to please.

Whether the first drink is on us, complimentary appetizers, raffles, or featured guests
we are committed to the experience of our attendees. We also provide opportunities
for business owners or reps to promote products or services during each event.
